- N** Home shoppers who are tired of the uphill battle of climbing stairs are heading to Mill Creek in Geneva to get a closer look at Shodeen Residential's newest ranch model, The Abbey, now on display.
- O** Spurred on by a number of key factors, ranch homes have grown in popularity in recent years, as evidenced by increased interest in single-level homes at Mill Creek, according to Mark Thomas, president of Shodeen Residential.
- P** "We have had many requests for an upscale ranch from empty nesters who desire single-level living,
